A photograph of a hot tub in the foreground, with a rustic house in the background. The house has wooden siding and dark window frames. The scene is lit with warm, golden light, suggesting dusk or dawn. The hot tub is a large, rectangular, light-colored unit with a wooden deck in front of it. The house has a prominent chimney and a gabled roof. The background is filled with tall evergreen trees.

# RELIABLE LUXURY, UNMATCHED VALUE

Enhance your body, mind, and home with a first-rate spa experience and an unexpected value. Discover for yourself the relaxing ambience, intelligent engineering, and thoughtful features in your X Series hot tub by Bullfrog Spas.

# X8

The spacious X8 and X8L models provide a luxurious spa experience equal to other premium spas, at a fraction of the cost. You will enjoy ample leg room and therapy, while available lighting and audio packages help you create any mood. The X8 and X8L are spacious hot tubs perfect for large families, stretching out, or entertaining. Choose a full-body lounge seat in the X8L or the roomy open seating in the X8. And you get it all at a price only the X Series line can offer.

## A BETTER LIFE

X Series hot tubs by Bullfrog Spas are designed to help you make significant improvements to your overall health and wellness. With advanced hydrotherapy, rich audio, and reliable operation unmatched in comparably priced spas, every detail has been considered. For reduced stress, better sleep, and improved relaxation, you can count on your X Series spa.

## QUALITY

Bullfrog Spas is known for excellence in engineering. X Series spas continue this legacy, making top quality more accessible than ever. Our long-lasting wood-free EnduraFrame, solid one-piece spa base, high efficiency full-foam insulation, extraordinary reliability, and a strong warranty all come standard in the feature-packed X Series spa line.

## ENTERTAINMENT

Relaxing in your Bullfrog Spa is better when you set the right mood. The X Series Bluetooth Audio System features marine-grade audio technology, premium speakers with an impressive sonic range, and an integrated subwoofer. Stream your favorite playlist or sit back with your favorite audio book from any Bluetooth enabled device.

# X7

The exceptionally comfortable seating, ergonomic design and well-planned layouts of the X7 and X7L provide both the capacity and overall experience of an eight-foot spa in a smaller space-saving footprint. The result is an amazingly efficient and comfortable spa with advanced hydrotherapy and quality that requires less space. Go ahead, stretch out, enjoy, and save in your X7 or X7L spa.

## HYDROTHERAPY

Bullfrog Spas is renowned for patents in advanced hydraulic engineering and technology is at our core. The “efficiency in engineering” philosophy has been carried into the X Series line to create first-rate hydrotherapy without waste. X Series plumbing designs apply lessons learned to reduce restriction and improve pump power, while featuring ample jets and a variety of massages. Efficient engineering means all jets can operate at the same time without clumsy diverter valves and jet intensity can be adjusted to fit your therapy needs.

## YOUR ACTIVE LIFE

An X Series hot tub by Bullfrog Spas is the perfect companion to your active lifestyle. Pushing your limits in the mountains, on the water, or at the gym can help you stay fit, but it doesn't come without some aches and pains. Tap your inner strength and take your fitness activities to the next level by reducing pain, soaking away stress, and recovering faster in your X Series spa.

# X6L

Compact, yet comfortable, the X6L, X6R, and X5L spa models are built for versatility. Boasting unmatched space for its size, the X6L actually provides seating for up to 6 adults. Intense hydrotherapy is provided in a comfortable lounge and corner captain's seats. Whether entertaining or enjoying an intimate evening together, X Series spas deliver.
